7/211 GTPase 31/1281 RNA binding

1/46 small GTPase binding

0/68 voltage-gated sodium channel

4/728 channel

0/110 sodium channel

16/1592 transmembrane transporter

1/487 gated channel

1/165 sodium ion transmembrane transporte

5/481 monovalent inorganic cation transmerr

1/250 potassium ion transmembrane transpo 7/794 cation transmembrane transporter

1/199 divalent inorganic cation transmembra

0/141 calcium channel

2/537 metal ion transmembrane transporter

0/9 bile acid transmembrane transporter

0/50 lipid transporter

0/21 monocarboxylic acid transmembrane tra 9/1086 calcium ion binding

4/197 receptor

5/301 signal transducer 11/983 protein kinase

5/260 organic acid binding

0/46 O-acyltransferase
